

FOR IMMEDIATE RELEASE

ServiceMaster of Hamilton

recognizes the contributions of

Khadija Toki

September 13, 2024 – Khadija Toki has been proudly serving the customers of ServiceMaster of Hamilton for over two years now, and ServiceMaster of Hamilton has been just as proud to have had Khadija as a member of our team. In fact, Khadija is not just an *essential* employee for us, she is an **EVERYDAY HERO** for simply being who she is!

As a Cleaning Associate with our customer, Amazon, Khadija has shown a remarkably consistent work ethic! Her dedication to cleanliness is noticed not only by her peers but also Amazon associates who appreciate the bright, clean breakroom and cafeteria environments that are the result of Khadija's commitment.

For these reasons and more, we are proud to once again recognize Khadija as our **EVERYDAY HERO**. We are certain that we would not be as successful in what we do without Khadija on our team!

*"Thank you, Khadija, for your second to none work ethic and simply just being you!
You are most certainly our **EVERYDAY HERO!**"*
