ServiceMaster Clean of Saint John recognizes the contributions of **Dave Williston**

August 23, 2024 – Since joining ServiceMaster Clean of Saint John in September of 2015, Dave Williston has proven himself to be one of the most reliable and dependable employees anyone could ask for! His cheerful demeanor and eagerness to perform his duties with a careful eye to detail has made him not just invaluable to us, but he is most certainly our **EVERYDAY HERO!**

Dave's dedication to our customers is second to none. He consistently goes above and beyond to ensure our clients are happy! Even if it means taking on extra responsibilities or jumping in to assist a colleague, Dave never hesitates! For this reason, Dave has indisputably become our go-to staff member for any complication or challenge that may arise.

Of course, at times, taking on additional work can be difficult but Dave always takes them on with a can-do attitude and a bright smile on his face! It is this positive attitude that has endeared Dave to all, customers and colleagues alike.

We are certain that we would not be as successful in what we do without Dave! We are so proud and thankful to count Dave as a member of our team and would like to recognize Dave for always showing up, in every sense of the term, and not simply for just showing up, but showing up with a smile!

*"Thank you, Dave, for everything you do and quite simply just being you!
You are most certainly our **EVERYDAY HERO!**"*
