ServiceMaster of Hamilton recognizes the contributions of Clifford Simon

June 10, 2022 – Clifford Simon joined ServiceMaster of Hamilton at the start of the year and since that time has proven himself to be an integral part of our team. Clifford is not just an *essential* employee for us, he is an **EVERYDAY HERO** to us for simply being who he is!

As a Compactor/Gaylord Associate with our customer Amazon, it is Clifford's dedication to hard work that makes him a remarkable member of our team. Clifford always shows up with a smile on his face, ready to tackle whatever job needs to be done at the time! His preference of hard work over wasting time ensures that not only will the job get completed well, it will also get completed in a timely manner!

We are certain that we would not be as successful in what we do without Clifford on our team!

*"Thank you, Clifford, for your smile and dedication and simply just being you!
You are most certainly our **EVERYDAY HERO!**"*
