

FOR IMMEDIATE RELEASE

ServiceMaster of Kingston, Belleville and Trenton

recognizes the contributions of

Gary Bertrim

June 24, 2021 – Gary Bertrim has been proudly serving the customers of ServiceMaster of Kingston, Belleville and Trenton for nearly 10 years. Gary is not simply an *essential* employee for us, he is a true ambassador of our business and most definitely our **EVERYDAY HERO!**

As a regular van route cleaner, Gary has served many of our customers such as The Springer Group and many of our healthcare customers such as Kingston Family Health Team, Canadian Hearing Services and SE Health. Gary's dedication to detail in all that he does is recognized not only by us but also by our customers! In fact, a doctor of the Kingston Family Health Team commented, "The quality of service that Gary provides is above and beyond, **ALWAYS!**" Canadian Hearing Services also noted Gary's commitment by undertaking cleaning tasks that had not been asked, like cleaning dishes that had been left for too long!

While Gary may only work for us on a part-time basis, his commitment to our business is no less than 110%! He comes in early, he helps to sell our services to any business he comes across and, he is simply a joy to be around!

*"Thank you, Gary for simply being you!
You are most certainly our **EVERYDAY HERO!**"*

AJ Gould
General Manager
ServiceMaster of Kingston, Belleville and Trenton
